## Education

- 2015 Attended the International summer school on Emotional Learning and Memory in Health and Psychopathology. *KU Leuven*. Leuven, Belgium.
- 2010 – 2014 **PhD in Clinical Psychology**, *University of Amsterdam*, The Netherlands.  
- Thesis title: 'Avoidance Learning'.  
- Promotors: Prof. Dr. Tom Beckers & Prof. Dr. Merel Kindt.  
- Daily Supervisor: Dr. Marieke Efting.  
- Main interests: Anxiety disorders, avoidance learning, fear conditioning, action tendencies, emotion coherence.
- 2010-2014 Attended diverse courses offered by the Dutch-Flemish Postgraduate School '*Experimental Psychopathology*'.
- February 2012 Attended the course 'Calculus'. *University of Amsterdam*, Amsterdam, The Netherlands.
- 22–26 August, 2011 Attended the 'Bayesian Modeling for Cognitive Science' workshop. *Amsterdam*, The Netherlands.
- 20–29 April, 2009 Attended the Erasmus seminar for Mathematical Psychology titled 'Bayesian Statistics and its use for Psychological Science'. *Tübingen*, Germany.
- 2008–2010 **Research Master in Psychology (Cum Laude; Highest Honor)**, *University of Amsterdam*, The Netherlands.  
- Specialisations: Clinical Psychology (Major) & Psychological Methods (Minor).  
- Thesis: The influence of emotion on inhibition: What do physiological measures of emotion indicate? *Supervisors: Sara Jahfari, Vanessa van Ast & Dr. Birte U. Forstmann*.  
- Internship: Does omission of data from statistical analyses introduce bias? *Supervisor: Dr. Jelte Wicherts*.
- 2003–2007 **Bachelor Degree in Psychology (Cum Laude; Highest Honor)**, *University of Crete*, Greece.  
- Thesis: The role of mood, achievement goals, symptoms of anxiety and depression in the *Children's Color Trail Test*. *Supervisor: Dr. George Sideridis*.

## Employment – Research

- September 2020 – Present **Assistant professor**, *Utrecht University*, The Netherlands.

- November 2018 – Present **Postdoctoral Research Fellow, KU Leuven, Belgium.**  
- Working with Prof. Dr. Johan Vlaeyen, Prof. Dr. Geert Crombez, & Dr. Natalie Claes  
- Main interests: Pain, Avoidance, decision-making, computational modeling.
- October 2015 – Present **Postdoctoral Research Fellow, Utrecht University, The Netherlands.**  
- Working with Prof. Dr. Iris M. Engelhard.  
- Main interests: Avoidance, fear, anxiety disorders, perceptual decision-making, computational modeling.
- October 2016 – January 2017 **Research Fellow, New York University, United States of America.**  
- Working with Dr. Isaac Galatzer-Levy on a project about individual differences on fear conditioning in both humans and animals.
- January 2015 – September 2015 **Postdoctoral Research Fellow, University of Amsterdam, The Netherlands.**  
- Working with Prof. Dr. Tom Beckers.  
- Main interests: Avoidance, fear, anxiety disorders, perceptual decision-making, computational modeling.
- July 2013 – August 2013 **Visiting Fellow, University of New South Wales, Sydney, Australia.**  
- Worked with Prof. Peter Lovibond on a review about avoidance learning.
- September 2009 – July 2010 **Research Assistant for Dr. Eric-Jan Wagenmakers, Department of Psychological Methods, University of Amsterdam, The Netherlands.**  
- Tasks: Programming experimental tasks in the software package 'Presentation', collecting experimental data, reviewing the relevant literature.
- February 2007 – March 2007 **Research Assistant, Research University Institute of Mental Health and ESPAD, Athens, Greece.**  
- Administered questionnaires and provided support in coordinating the research team in Crete (Greece) for the European Research in school population regarding the use of alcohol and other drugs (ESPAD Research 2007).
- 14 April 2007 – 15 June 2007 **Research Assistant, Institute for Language and Speech Processing, Research and Innovation center Athena, Athens, Greece, Supervisor: Dr. Athanasios Protopapas.**  
- Collected data for newly introduced assessment tools for learning disabilities in students of Grades B–D and E of Primary school and Grade B of High school.
- 5 February 2007 – 27 April 2007 **Research Assistant, University of Crete, Department of Psychology, Crete, Greece, Supervisor: Prof. Dr. Panagiotis Simos.**  
- Collected data for newly introduced assessment tools for tracing and assessing executive functions, attention and concentration of Primary school students.
- September 2006 – June 2007 **Research Assistant, Department of Special Education, University of Thessaly, Greece, Supervisor: Dr. Souzana Panteliadou.**  
- Collected research data for a newly established test for tracing reading errors in Primary school students.
- March 2006 – May 2006 **Research Assistant, Research University Institute of Mental Health (ΕΠΙΨΗ) and ESPAD, Crete, Greece.**  
- Collected research data for the panhellenic epidemiological research of the Research University Institute for Mental Health titled: *Research for Students' Health*.

## Employment – Teaching

- 2016-2017 **Member of the teaching staff for the research master course 'Advances in Research on Behavioral Regulation II: Health and Health Behavior', Utrecht University, Utrecht, the Netherlands.**
- 2015 – **Supervisor of bachelor and master thesis dissertations, Utrecht University, Utrecht, The Netherlands.**  
- Provided supervision for data collection, data analyses and the writing of research reports. (Number of bachelor students: 17; number of master students: 7; number of research master students: 1).  
- All topics are related to experimental psychopathology.

- 2015 **Taught the 3rd year bachelor course 'Evidence Based Therapies',** *University of Amsterdam*, Amsterdam, The Netherlands.
- Taught a total number of 44 bachelor students (separated into two groups) of statistical approaches used commonly in Clinical Psychology (e.g., multilevel modeling, N=1 analyses, moderation and mediation analyses etc.).
  - The course included both lectures and practical sessions.
- 2012 – 2015 **Supervisor of master and research master thesis dissertations,** *University of Amsterdam*, Amsterdam, The Netherlands.
- Provided supervision for data collection, data analyses and the writing of research reports. (Number of students: 9).
  - All topics were related to experimental psychopathology.
- 2013 – 2014 **Group supervisor for one work group (*Werkgroep*) for the third year bachelor courses of Clinical Psychology,** *University of Amsterdam*, Amsterdam, The Netherlands.
- During the work group, students had to chance to delve into the main courses of the Clinical Psychology department by analysing clinical case studies and completing in-class assignments.
  - Students also acquired experience in various diagnostic tools of psychopathology (e.g., SCID-II).
- 2011 – 2013 **Tutor of the second year bachelor course 'Applied Research Practice',** *University of Amsterdam*, Amsterdam, The Netherlands.
- Supervised six groups of students (27 in total), in writing a research proposal, collecting research data, analysing data and writing the final research report.
- 18–29 June, 2012 **Tutor at the summer school 'Emotional Memory: From Patient to Synapse',** *University of Amsterdam*, Amsterdam, The Netherlands. The summer school was organised by Prof. Dr. Merel Kindt and Dr. Marieke Soeter.
- Supervised a group of seven students in shaping research questions regarding a future study which was relevant to the topics of the Summer school.
  - Assisted in the preparation of the student posters for presenting their research proposal.
  - Prepared the group for a scientific debate regarding the topics of the summer school.
- September–October 2009 & September – October 2010 **Teaching Assistant for the Research Master Course 'Scientific Writing and Presenting',** *University of Amsterdam*, Amsterdam, The Netherlands. Instructor: Dr. Eric-Jan Wagenmakers.
- Provided constructive criticism and evaluated assignments for students.
  - Wrote tutorials over technical skills (e.g., R) that students could use in their assignments.

## Grants, Scholarships, & Prizes

- 19 Member of the Leadership Program, Utrecht University (2021).
- 18 Association of Psychological Science (APS) Rising Star (2019).
- 17 3-year senior post-doctoral grant by FWO (Research Foundation-Flanders) (2019). **PI.**
- 16 Travel grant awarded from FWO (Research Foundation-Flanders) for attending the 9th World Congress in Cognitive and Behavioural Therapy. (2019).
- 15 Travel grant awarded from FWO (Research Foundation-Flanders) for attending the 11th Meeting on Human Fear Conditioning. (2019).
- 14 Replication grant from NWO (Dutch Organization for scientific studies), (2018). **PI.**
- 13 Grant from the Neuroscience & Cognition Utrecht for inviting Prof. Mark Bouton to give an invited talk at Utrecht University (2017).
- 12 Grant from the Neuroscience & Cognition Utrecht for visiting Dr. Isaac Galatzer-Levy at the School of Medicine at New York University. (3-months) (2016).

- 11 Coverage of the PhD dissertation printing costs by the Alexander S. Onassis Public Benefit Foundation (2015).
- 10 Winner of the 'Audience Poster Award' at the Amsterdam Brain & Cognition Opening Conference (2014).
- 9 Winner of the 'Best Article Award' for the article 'Avoided by association: Acquisition, extinction, and renewal of avoidance tendencies towards conditioned fear stimuli', awarded by the PhD Research school EPP (Experimental Psychopathology) (2014).
- 8 Winner of the 'Best Presentation Award' at the EPP (Experimental Psychopathology) day. (2012).
- 7 Three year scholarship for PhD studies by the Alexander S. Onassis Public Benefit Foundation (2011-2014).
- 6 Winner of the 'Best Poster Award' at the University of Amsterdam Research Master Psychology graduate conference (2010).
- 5 Winner of the 'Best Poster Award' at the University of Amsterdam Research Master Psychology graduate conference (2009).
- 4 Two year scholarship for master studies by Alexander S. Onassis Public Benefit Foundation (2008–2010).
- 3 Winner of the 'Best Research Award' at the 3rd Pan-Hellenic Multi-Science Conference for the Treatment of Sexual Abuse. Athens. (2007).
- 2 Award for distinguished performance (1st place) at the fourth year of the bachelor studies. (2007).
- 1 Award for distinguished performance (1st place) at the third year of the bachelor studies. (2006).

## Organization of Conferences, Symposia, & Workshops

- 2020 Understanding and practising open science. Workshop presented at European Association for Research on Adolescence Conference (EARA) 2020. Online conference. Material available at: <https://github.com/AngelosPsy/Open-Science-Workshop>
- 2019 Member of the organisation committee for the Pain Research Meeting. Belgium.
- 2019 Member of the published proceedings review committee for the Scientific Computing with Python Conference 2019 (SciPy2019). Austin, Texas.
- 2019 Together with Manuel Kuhn, organized a workshop on Bayesian analysis during the 11th European Meeting on Human Fear Conditioning. Würzburg, Germany.
- 2018 Member of the published proceedings review committee for 16th Python in Science Conference (SciPy2018). Austin, Texas.
- 2018 Together with Manuel Kuhn, organized a workshop on Bayesian analysis during the 10th European Meeting on Human Fear Conditioning. Wales, United Kingdom.
- 2018 Together with Iris Engelhard and Joke Baas, organized a symposium on threat conditioning, with a Keynote by Prof. Mark Bouton. (March, 2018). Utrecht, the Netherlands.
- 2017 Member of the published proceedings review committee for 15th Python in Science Conference (SciPy2017). Austin, Texas.
- 2017 Co-Organised the symposium 'Identifying trajectories of response to potential trauma across species and contexts: From population based studies to translational animal models' for the 29th Annual convention of the Association of Psychological Science. Boston, U.S.A.
- 2016 Member of the organizational committee of the 8th European Meeting on Human Fear Conditioning. Soesterberg, The Netherlands.
- 2015 Member of the organising committee for the 10th year anniversary of the Research Master in Psychology (University of Amsterdam).
- 2014 Co-Organised and chaired the Symposium 'Fear and avoidance: Current insights' for the 44th Annual EABCT (European Association of Behavioral and Cognitive Therapies) Congress. The Hague, the Netherlands.
- 2012 Co-organised a three-day research retreat during which researchers of the Clinical Psychology department of the University of Amsterdam talked about their research projects.
- 2012 Organised and chaired the Symposium 'Anxiety and fear conditioning: Modern insights on brain, genes and the role of individual differences' for the 42nd Annual EABCT (European Association of Behavioral and Cognitive Therapies) Congress. Geneva. Switzerland.
